UPCOMING CLASSES

♦ January 14th-April 1st: **Drawing for Beginners**

Learn about the materials, substrates, and methods of drawing. Drawing for beginners will teach you to record what you see onto paper with a variety of mediums. You CAN draw. All drawing materials provided. This class will be split into four monthly sessions.

♦ January 15th-April 2nd: **The Art of Conversation**

One of my favorite classes to dive into. Conversation about how the making and understanding of art has influenced cultures, including ours in our own lifetimes. We listen, talk, and then make. An all time favorite, taught in four once-a-month sessions. Class size limited, so don't wait!

♦ January 16th: **Wet-Felted Mittens**

Wet-felting is a textile art form that involves using water, soap and agitation to compact and interlock wool fibers into fabric. In this class we will wet-felt a pair of mittens to fit your hands, using wool in a selection of colors.

♦ February 20th: **Inkle Band Weaving**

Learn to weave narrow bands on an inkle loom so you can start making straps, belts, leashes, bookmarks, and trim with this simple loom, using basic tools and supplies from any craft store.

Our mission at *The Creative at Klondike* is to build a culture of creative and inspired thought through art, processes and experiences. We long imagined a dedicated space in the Augusta, Missouri area for and by artists to convene, exhibit, teach and learn from each other. We also envisioned this space to be a community gathering place, where creativity and inspiration would thrive - where atmosphere and artistic socialization would foster creative experiences.

The Creative at Klondike is a nonprofit 501(c)3 organization, in collaboration with St. Charles County Parks and Recreation.
