Volunteers needed!

Community non-profits are busy places, with lots of ways to be involved. We welcome volunteers of all kinds to help in our creative workshops, teach a class, plan an event, assist with greeting visitors, & more.

Our mission at **The Creative at Klondike** is to build a culture of creative and inspired thought through art, processes and experiences. We long imagined a dedicated space in the Augusta, Missouri area for and by artists to convene, exhibit, teach and learn from each other. We also envisioned this space to be a community gathering place, where creativity and inspiration would thrive - where atmosphere and artistic socialization would foster creative experiences.

The Creative at Klondike is a nonprofit 501(c)3 organization, in collaboration with St. Charles County Parks and Recreation.
