Our mission at *The Creative at Klondike* is to build a culture of creative and inspired thought through art, processes and experiences. We long imagined a dedicated space in the Augusta, Missouri area for and by artists to convene, exhibit, teach and learn from each other. We also envisioned this space to be a community gathering place, where creativity and inspiration would thrive - where atmosphere and artistic socialization would foster creative experiences.

The Creative at Klondike is a nonprofit 501(c)3 organization, in collaboration with St. Charles County Parks and Recreation.

Class Highlight:
Inkle Band Weaving

Sunday, February 23rd
1:00-6:00pm
\$25/\$30 members/non-members

Don't have your own inkle loom?
+ \$10 to rent a loom for the day

Have you always wanted to learn to weave, but don't have the room or the budget for a big loom? Did someone give you a wooden contraption that looks a little like a kitchen chair and you have no idea how it works, much less how to use it? Let me help you get started with your inkle loom so you can start making bag straps, hat bands, belts, leashes, bookmarks, shoe laces, and trim with this simple loom, using basic tools and supplies from any craft store.
